1. POLICY STATEMENT

Our Commitment to Privacy

Blockchain Education Limited is a Limited liability company registered in the United Kingdom under company number 11290259 providing information technology consultancy activities, management consultancy activities other than financial management and educational support services. The company's registered address is 20-22 Wenlock Road, London, England, N1 7GU.

Blockchain Education Limited runs some of its activities under the trading and trademark name JAAG (JAAG Ecosystem and JAAG coin) and in this policy it will be referred to "the Company", "we", "us" and "our".

We respect and protect the privacy of visitors to our websites and our customers who use our services or purchase our products. To ensure transparency, this Privacy Policy describes our information handling practices when you access content we own or operate on our websites located at www.blockchainedu.global, <http://whitelist.JAAGcoin.io>, www.jaagcoin.org, www.jaag.network, pages, features, or content we will own or operate (collectively, the "Site(s)") and/or when you use any Company's third party applications relying on such an API, and related services (referred to collectively hereinafter as "Services").

This policy also describes the choices available to you regarding our use of your personal information and how you can access and update this information.

2. COMPLIANCE

European Union General Data Protection Regulation (GDPR)

As required by european law, in order to protect your rights regarding personal information , The Company follows the General Data Protection Regulation.

United Kingdom, Information Commissioner's Office (ICO)

As a data handler we are also registered with the Information Commissioner's Office (ICO) in the United Kingdom, www.ico.org.uk.

Please take a moment to read this Privacy Policy carefully. If you have any questions about this Privacy Policy or regarding your personal data, please contact our compliance departments at compliance@blockchainedu.global for general data matters OR privacy@JAAGcoin.io for your personal data concerns.

3. ACCEPTANCE OF OUR PRIVACY POLICY

By accessing and using our Services, you signify acceptance to the terms of this Privacy Policy. Where we require your consent to process your personal information, we will ask for your consent to the collection, use, and disclosure of your personal information as described further below. We may provide additional “just-in-time” disclosures or additional information about the data collection, use and sharing practices of specific Services or products. These notices may supplement or clarify our privacy practices or may provide you with additional choices about how we process your data.

If you do not agree with or you are not comfortable with any aspect of this Privacy Policy, you should immediately discontinue access by following the unsubscribe instructions included in these emails or you can contact us at contact@blockchainedu.global

4. CHANGES TO THIS PRIVACY POLICY

We reserve the right to modify this Privacy Policy at any time, and when required by law, we will notify you of changes to this Privacy Policy. If we make any material changes we will notify you by email (sent to the e-mail address specified in your account) or by means of a notice on our Services prior to the change becoming effective. We encourage you to periodically review this page for the latest information on our privacy practices.

5. LINKS TO OTHER WEBSITES

- Our Site includes links to other websites whose privacy practices may differ from ours. If you submit personal information to any of those sites, your information is governed by their privacy statements. We encourage you to carefully read the privacy statement of any website you visit.

6. THE PERSONAL INFORMATION WE COLLECT

Personal information is data that can be used to identify you directly or indirectly, or to contact you. Our Privacy Policy covers all personal information that you voluntarily submit to us and that we obtain from our partners. This Privacy Policy does not apply to anonymized data, as it cannot be used to identify you. You may be asked to provide personal information anytime you are in contact with any of our services or products or company sites, our team members.

7. TRANSFERS TO THIRD PARTIES

The company may share/transfer your personal information with any of its subsidiaries or partners/business affiliates which may be in other country than your country of residence. By doing such, we can provide you with the products / services suitable for your needs. However, we only transfer your personal data to countries where the EU Commission has decided that they have an adequate level of data protection or we take measures to ensure that all recipients provide an adequate level of data protection on the local grounds.

We may also combine it with other information to provide and improve our products, services, and content (see the section below). Except as described in this Privacy Policy, we will not give, sell, rent or loan any personal Information to any third party.

8. PERSONAL INFORMATION COLLECTED

As noted above, we collect personal information to provide you with our Services. However, when we require certain personal information from users it is also because we are required by law to collect this information or it is relevant for specified purposes. Any information you provide to us that is not required is voluntary. You are free to choose whether to provide us with the types of personal information requested, but we may not be able to serve you as effectively or offer you all our Services when you do choose not to share certain information with us.

For example, we collect personal information which is required under the law to open an account (Know Your Customer process (KYC's) in line with the Anti Money Laundering (AML) provisions), add a payment method, or execute a transaction. We also collect personal information when you use or request information about our Services or products, subscribe to marketing communications, request support, complete surveys, or sign up for our events. We may also collect personal information from you offline, such as when you attend one of our events, or when you contact customer support. We may use this information in combination with other information we collect about you as set forth in this Policy.

We may collect the following types of information:

- Personal Identification Information: Full name, date of birth, age, nationality, gender, signature, utility bills, photographs, phone number, home address, and/or email.
- Formal Identification Information: Tax ID number, passport number, driver's license details, national identity card details, photograph identification cards, and/or visa information.
- Financial Information: Bank account information, payment card primary account number (PAN), transaction history, trading data, and/or tax identification.
- Transaction Information: Information about the transactions you make on our Services, such as the name of the recipient, your name, the amount, and/or timeprint.
- Employment Information: Office location, job title, and/or description of role.
- Online Identifiers: Geo location/tracking details, browser fingerprint, OS, browser name and version, and/or personal IP addresses.
- Usage Data: Survey responses, information provided to our support team, public social networking posts, authentication data, security questions, user ID, click-stream data and other data collected via cookies and similar technologies. Please read our **Cookie Policy** for more information.

9. HOW YOUR PERSONAL INFORMATION IS USED

Our primary purpose in collecting personal information is to provide you with a secure, smooth, efficient, and customized experience. In general, we use personal information to create, develop, operate, deliver, and improve our Services and products, content and advertising, and for loss prevention and anti-fraud purposes. We may use this information in the following ways:

- **To maintain legal and regulatory compliance**

Some of our core Services are subject to laws and regulations requiring us to collect and use your personal identification information, formal identification information, financial information, transaction information, employment information, online identifiers, and/or usage data in certain ways. For example, we must identify and verify customers using our Services in order to comply with anti-money laundering and terrorist financing laws across jurisdictions. In addition, we use third parties to verify your identity by comparing the personal information you provided against third-party databases and public records. When you seek permissions for example to raise Digital Currency buy and sell limits associated with your Account created on the Company's platforms, we may require you to provide additional information which we may use in collaboration with service providers acting on our behalf to verify your identity or address, and/or to manage risk as required under applicable law. The consequences of not processing your personal information for such purposes is the termination of your account as we cannot perform the Services in accordance with legal and regulatory requirements.

EEA Residents: For individuals who reside in the European Economic Area (including the United Kingdom) or Switzerland (collectively "EEA Residents"), pursuant to Article 6 of the EU General Data Protection Regulation (GDPR) or any equivalent legislation (collectively "EEA Data Protection Law"), we process this personal information to comply with our legal obligations.

- **To enforce our terms in our user agreement and other agreements**

The Company handles very sensitive information, such as your identification and financial data, so it is very important for us and our customers that we are actively monitoring, investigating, preventing and mitigating any potentially prohibited or illegal activities, enforcing our agreements with third parties, and/or violations of our posted user agreement or agreement for other Services. In addition, we may need to collect fees based on your use of our Services. We collect information about your account usage and closely monitor your interactions with our Services. We may use any of your personal information collected on our Services for these purposes. The consequences of not processing your personal information for such purposes is the termination of your account as we cannot perform our Services in accordance with our terms.

- **To provide our Services and products**

We process your personal information in order to provide our Services and/or products to you. For example, when you want to activate your member account, we require

certain information such as your identification, contact information, and payment information. We cannot provide you with Services without such information.

- **To provide Service and products communications**

We send administrative or account-related information to you to keep you updated about our Services and products, inform you of relevant security issues or updates, or provide other transaction-related information. Without such communications, you may not be aware of important developments relating to your account that may affect how you can use our Services. Should you wish to discontinue access to our newsletters/marketing communication you can by following the unsubscribe instructions included in these emails sent to you.

- **To provide customer service**

We process your personal information when you contact us to resolve any questions, disputes, collect fees, or to troubleshoot problems. We may process your information in response to another customer's request, as relevant. Without processing your personal information for such purposes, we cannot respond to your requests and ensure your uninterrupted use of the Services.

- **To ensure quality control**

We process your personal information for quality control and staff training to make sure we continue to provide you with accurate information. If we do not process personal information for quality control purposes, you may experience issues on the Services such as inaccurate transaction records or other interruptions. Our basis for such processing is based on the necessity of performing our contractual obligations with you.

EEA Residents: For all of the above categories, excluding the first bullet point, pursuant to EEA General Data Protection Law, we process this personal information based on our contract with you.

- **To ensure network and information security**

We process your personal information in order to enhance security, monitor and verify identity or service access, combat spam or other malware or security risks and to comply with applicable cyber security laws and regulations. The threat landscape on the internet is constantly evolving, which makes it more important than ever that we have accurate and up-to-date information about your use of our Services. Without processing your personal information, we may not be able to ensure the security of our Services.

EEA Residents: Pursuant to EEA General Data Protection Law, we process this personal information to satisfy our legal obligations.

- **For research and development purposes**

We process your personal information to better understand the way you use and interact with our Services. In addition, we use such information to customise, measure, and improve our Services and products and the content and layout of our websites and applications, and to develop new services and products. Without such processing, we cannot ensure your continued enjoyment of our Services and/or products. Our basis for such processing is based on legitimate interest.

EEA Residents: Pursuant to EEA General Data Protection Law, we process this personal information to satisfy our legitimate interests as described above.

- **To enhance your website experience**

We process your personal information to provide a personalised experience and implement the preferences you request. For example, you may choose to provide us with access to certain personal information stored by third parties. Without such processing, we may not be able to ensure your continued enjoyment of part or all of our Services or purchasing our products.

EEA Residents: Pursuant to EEA General Data Protection Law, we process this personal information to satisfy our legitimate interests as described above.

- **To facilitate corporate acquisitions, mergers, or transactions**

We may process any information regarding your account and use of our Services as is necessary in the context of corporate acquisitions, mergers, or other corporate transactions. You will be notified via email and/or a prominent notice on our website of any change in ownership or uses of your personal information, as well as any choices you may have regarding your personal information, to any other third party with your prior consent to do so. You will have the option of closing your account if you do not wish to have your personal information processed for such purposes.

EEA Residents: Pursuant to EEA General Data Protection Law, we process this personal information to satisfy our legitimate interests as described above.

- **To engage in marketing activities**

Based on your communication preferences, we may send you marketing communications to inform you about our events or our partner events; to deliver targeted marketing; and to provide you with promotional offers based on your communication preferences. We use information about your usage of our Services and your contact information to provide marketing communications. You can opt-out of our marketing communications at any time.

EEA Residents: Pursuant to EEA General Data Protection Law, we process this personal information to satisfy on your consent.

We will not use your personal information for purposes other than those purposes we have disclosed to you, without your permission. From time to time we may request your permission to allow us to share your personal information with third parties. You may opt out of having your personal information shared with third parties or allowing

us to use your personal information for any purpose that is incompatible with the purposes for which we originally collected it or subsequently obtained your authorisation. If you choose to so limit the use of your personal information, certain features or our Services may not be available to you.

10. INFORMATION FROM THIRD PARTY SOURCES

From time to time, we may obtain information about you from third party sources as required or permitted by applicable law, such as public databases, credit bureaus, ID verification partners, resellers and channel partners, joint marketing partners, and social media platforms.

- **Public Databases, Credit Bureaus & ID Verification Partners:** We obtain information about you from public databases and ID verification partners for purposes of verifying your identity. ID verification partners use a combination of government records and publicly available information about you to verify your identity. Such information includes your name, address, job role, public employment profile, credit history, status on any sanctions lists maintained by public authorities, and other relevant data. We obtain such information to comply with our legal obligations, such as anti-money laundering laws. Pursuant to EEA General Data Protection Law, our lawful basis for processing such data is compliance with legal obligations. In some cases, we may process additional data about you to ensure our Services are not used fraudulently or for other illicit activities. In such instances, processing is necessary for us to continue to perform our contract with you and others.

11. COLLECTION & USE OF INFORMATION COLLECTED AUTOMATICALLY

We receive and store certain types of information automatically, such as whenever you interact with the Sites or use the Services. This information does not necessarily reveal your identity directly but may include information about the specific device you are using, such as the hardware model, device ID, operating system version, web-browser software (such as Firefox, Safari, or Internet Explorer) and your Internet Protocol (IP) address/MAC address/device identifier.

For example, we automatically receive and record information on our server logs from your browser, including how you came to and used our Services or products; your IP address; device type and unique device identification numbers, device event information (such as crashes, system activity and hardware settings, browser type, browser language, the date and time of your request and referral URL), broad geographic location (e.g. country or city-level location) and other technical data collected through cookies, pixel tags and other similar technologies that uniquely identify your browser. We may also collect information about how your device has interacted with our website, including pages accessed and links clicked. We may use identifiers to recognise you when you arrive at the Sites via an external link, such as a link appearing on a third party site.

Please refer to our **Cookie Policy** for more information about our use of cookies.

12. WHY WE SHARE PERSONAL INFORMATION WITH OTHER PARTIES

We take care to allow your personal information to be accessed only by those who really need to in order to perform their tasks and duties, and to share with third parties

who have a legitimate purpose for accessing it. We will never sell or rent your personal information. We will only share your information in the following circumstances:

- We share your information with third party identity verification services in order to prevent fraud. This allows us to confirm your identity by comparing the information you provide us to public records and other third party databases. These service providers may create derivative data based on your personal information that can be used solely in connection with provision of identity verification and fraud prevention services.
- We may share your information with service providers under contract who help with parts of our business operations such as bill collection, marketing, and technology services. Our contracts require these service providers to only use your information in connection with the services they perform for us and prohibit them from selling your information to anyone else.
- We may share your information with financial institutions with which we partner to process payments you have authorised.
- We may share your information with companies or other entities that we plan to merge with or be acquired by. Should such a combination occur, we will require that the new combined entity follow this Privacy Policy with respect to your personal information. You will receive prior notice of any change in applicable policies.
- We may share your information with law enforcement, officials, or other third parties when we are compelled to do so by a subpoena, court order, or similar legal procedure, or when we believe in good faith that the disclosure of personal information is necessary to prevent physical harm or financial loss, to report suspected illegal activity or to investigate violations of our User Agreement or any other applicable policies.

If you establish your Account indirectly on a third party website or via a third party application, any information that you enter on that website or application (and not directly on our Company's websites) will be shared with the owner of the third party website or application and your information will be subject to their privacy policies.

13. HOW PERSONAL INFORMATION IS SHARED WITH THIRD-PARTY SITES AND SERVICES

If you use your Member Account to transfer Digital Currency in connection with the purchase or sale of goods or services, we or you may also provide the seller with your shipping address, name, and/or email to help complete your transaction with the seller. The seller is not allowed to use this information to market their services to you unless you have agreed to it. If an attempt to transfer Digital Currency to your seller fails or is later invalidated, we may also provide your seller with details of the unsuccessful transfer. To facilitate dispute resolutions, we may provide a buyer with the seller's address so that goods can be returned to the seller.

14. HOW WE PROTECT AND STORE PERSONAL INFORMATION

We understand how important your privacy is, which is why the Company maintains (and requires its service providers to maintain) appropriate physical, technical and administrative safeguards to protect the security and confidentiality of the personal information you entrust to us.

We may store and process all or part of your personal and transactional information, including certain payment information, in the world where our facilities or our service providers are located. We protect your personal information by maintaining physical, electronic, and procedural safeguards in compliance with the applicable laws and regulations.

For example, we use computer safeguards such as firewalls and data encryption, we enforce physical access controls to our buildings and files, and we authorise access to personal information only for those employees who require it to fulfill their job responsibilities.

However, we cannot guarantee that loss, misuse, unauthorised acquisition, or alteration of your data will not occur. Please recognise that you play a vital role in protecting your own personal information. When registering with our Services, it is important to choose a password of sufficient length and complexity, to not reveal this password to any third-parties, and to immediately notify us if you become aware of any unauthorised access to or use of your account.

Furthermore, we cannot ensure or warrant the security or confidentiality of information you transmit to us or receive from us by Internet or wireless connection, including email, phone, or SMS, since we have no way of protecting that information once it leaves and until it reaches us. If you have reason to believe that your data is no longer secure, please contact us by using the contact details listed at the end of this Privacy Policy.

15. HOW YOU CAN ACCESS OR CHANGE YOUR PERSONAL INFORMATION

You are entitled to review, correct, or amend your personal information, or to delete that information where it is inaccurate. You may do this at any time by sending an email to privacy@JAAGcoin.io or compliance@blockchainedu.global.

If you close your member Account with us, we will mark your account in our database as “Closed,” but will keep your account information in our database for a period of time described above. This is necessary in order to deter fraud, by ensuring that persons who try to commit fraud will not be able to avoid detection simply by closing their account and opening a new account. However, if you close your account, your personal information will not be used by us for any further purposes, nor sold or shared with third parties, except as necessary to prevent fraud and assist law enforcement, as required by law, or in accordance with this Privacy Policy.

16. RIGHTS IN RELATION TO THE USE OF YOUR PERSONAL INFORMATION

- **Rights of access, correction and deletion**

You have a right of access to the personal information that we hold about you under European general data protection legislation, and to some related information. You can also require any inaccurate personal information to be corrected or deleted.

- **Right to object**

You can object to our use of your personal information for direct marketing purposes at any time and you may have the right to object to our processing of some or all of your personal information (and require them to be deleted) in some other circumstances.

If you wish to exercise any of these rights, please contact us as set out below.

17. RETENTION OF PERSONAL INFORMATION

We store your personal information securely throughout the life of your member Account. We will only retain your personal information for as long as necessary to fulfil the purposes for which we collected it, including for the purposes of satisfying any legal, accounting, or reporting obligations or to resolve disputes. While retention requirements vary by jurisdiction, information about our typical retention periods for different aspects of your personal information are described below:

- Contact Information such as your name, email address and telephone number for marketing purposes is retained on an ongoing basis until you unsubscribe. Thereafter we will add your details to our suppression list indefinitely.
- Content that you post on our website such as support desk comments, photographs, videos, blog posts, and other content may be kept indefinitely after you close your account for audit and crime prevention purposes.
- Recording of our telephone calls with you may be kept for a period of up to six years.
- Information collected via technical means such as cookies, webpage counters and other analytics tools is kept for a period of up to one year from expiry of the cookie.

18. CHILDREN'S PERSONAL INFORMATION

We do not knowingly request to collect personal information from any person under the age of 18. If a user submitting personal information is suspected of being younger than 18 years of age, we will require the user to close his or her account and will not allow the user to continue using our Services or purchase our products. We will also take steps to delete the information as soon as possible. Please notify us if you know of any individuals under the age of 18 using our Services so we can take action to prevent access to our Services.

19. INTERNATIONAL TRANSFERS OF PERSONAL INFORMATION

While the Company is based in the United Kingdom (which is within the EEA), our service providers or business partners may store, transfer, and otherwise process your personal information in countries outside of the country of your residence.

If you have a complaint about our privacy practices and our collection, use or disclosure of personal information please contact us at privacy@JAAGcoin.io or compliance@blockchainedu.global.

Legal bases for processing personal information

Our legal bases for processing under EEA General Data Protection Law are described above in the sections entitled “How Your Information Is Used” and “Information From Third Party Partners.” We may process your personal information if you consent to the processing, to satisfy our legal obligations, if it is necessary to carry out our obligations arising from any contracts we entered with you, or to take steps at your request prior to entering into a contract with you, or for our legitimate interests to protect our property, rights or safety of the Company , our members or others.

Direct Marketing

If you are a current customer residing in the EEA , we will only contact you by electronic means (email or SMS) with information about our Services that are similar to those which were the subject of a previous sale or negotiations of a sale to you.

If you are a new customer and located in the EEA , we will contact you if you are located in the EU by electronic means for marketing purposes only if you have consented to such communication. If you do not want us to use your personal information in this way, or to pass your personal information on to third parties for marketing purposes, please contact us at privacy@JAAGcoin.io. You may raise such objection with regard to initial or further processing for purposes of direct marketing, at any time and free of charge. Direct marketing includes any communications to you that are only based on advertising or promoting products and services.

Individual Rights

EEA Residents have the following rights, which can be exercised by contacting us at privacy@JAAGcoin.io or compliance@blockchainedu.global so that we may consider your request under applicable law.

When we receive an individual rights request via email we may take steps to verify your identity before complying with the request to protect your privacy and security.

Right to withdraw consent. You have the right to withdraw your consent to the processing of your personal information collected on the basis of your consent at any time. Your withdrawal will not affect the lawfulness of the Company processing based on consent before your withdrawal.

Right of access to and rectification of your personal information. You have a right to request that we provide you a copy of your personal information held by us. This information will be provided without undue delay (within 30 calendar days by law) subject to a reasonable fee associated with gathering of the information if in excessive request or manifestly unfounded (as permitted by law), unless such provision adversely affects the rights and freedoms of others. You may also request us to rectify

or update any of your personal information held by us that is inaccurate. Your right to access and rectification shall only be limited where the burden or expense of providing access would be disproportionate to the risks to your privacy in the case in question, or where the rights of persons other than you would be violated.

Right to erasure. You have the right to request erasure of your personal information that:

(a) is no longer necessary in relation to the purposes for which it was collected or otherwise processed;

(b) was collected in relation to processing that you previously consented, but later withdraw such consent; or

(c) was collected in relation to processing activities to which you object, and there are no overriding legitimate grounds for our processing. If we have made your personal information public and are obliged to erase the personal information, we will, taking account of available technology and the cost of implementation, take reasonable steps, including technical measures, to inform other parties that are processing your personal information that you have requested the erasure of any links to, or copy or replication of your personal information. The above is subject to limitations by relevant data protection laws.

Right to data portability. If we process your personal information based on a contract with you or based on your consent, or the processing is carried out by automated means, you may request to receive your personal information in a structured, commonly used and machine-readable format, and to have us transfer your personal information directly to another “controller”, where technically feasible, unless exercise of this right adversely affects the rights and freedoms of others. A “controller” is a natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of the processing of your personal information.

Right to restriction of or processing. You have the right to restrict or object to us processing your personal information where one of the following applies:

(a) You contest the accuracy of your personal information that we processed. In such instances, we will restrict processing during the period necessary for us to verify the accuracy of your personal information.

(b) The processing is unlawful and you oppose the erasure of your personal information and request the restriction of its use instead.

(c) We no longer need your personal information for the purposes of the processing, but it is required by you to establish, exercise or defense of legal claims.

(d) You have objected to processing, pending the verification whether the legitimate grounds of the Company processing override your rights.

Restricted personal information shall only be processed with your consent or for the establishment, exercise or defense of legal claims or for the protection of the rights of

another natural or legal person or for reasons of important public interest. We will inform you if the restriction is lifted.

Notification of erasure, rectification and restriction. We will communicate any rectification or erasure of your personal information or restriction of processing to each recipient to whom your personal information have been disclosed, unless this proves impossible or involves disproportionate effort. We will inform you about those recipients if you request this information.

Right to object to processing. Where the processing of your personal information is based on consent, contract or legitimate interests you may restrict or object, at any time, to the processing of your personal information as permitted by applicable law. We can continue to process your personal information if it is necessary for the defense of legal claims, or for any other exceptions permitted by applicable law.

Automated individual decision-making, including profiling. You have the right not to be subject to a decision based solely on automated processing of your personal information, including profiling, which produces legal or similarly significant effects on you, save for the exceptions applicable under relevant data protection laws.

Right to lodge a complaint. If you believe that we have infringed your rights, we encourage you to contact us first at dpo@JAAGcoin.io or compliance@blockchainedu.global so that we can try to resolve the issue or dispute informally. You can also complain about our processing of your personal information to the relevant general data protection authority. You can complain in the EU member state where you live or work, or in the place where the alleged breach of data protection law has taken place. In the UK, the relevant data protection authority is the Information Commissioner's Office (ICO).

Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF, 0303 123 1113, casework@ico.org.uk.

Storage of your personal information. We will try to limit the storage of your personal information to the extent that storage is necessary to serve the purpose(s) for which the personal information was processed, to resolve disputes, enforce our agreements, and as required or permitted by law.

Your rights to personal information are not absolute. Access may be denied when:

- Denial of access is required or authorized by law;
- Granting access would have a negative impact on other's privacy;
- To protect our rights and properties; and
- Where the request is frivolous or vexatious.

20. HOW TO CONTACT US

If you have questions or concerns regarding this Privacy Policy, or if you have a complaint, you should first contact us :

Any general matters: contact@blockchainedu.global

Concerns regarding this Privacy policy: compliance@blockchainedu.global

About your personal data: privacy@JAAGcoin.io or our Data Protection Office at dpo@JAAGcoin.io or by writing to us at Blockchain Education Ltd, 20-22 Wenlock Road, London, England, N1 7GU, UK.

21. GOVERNING AUTHORITIES COMPLAINTS

If you are unsatisfied with how the Company resolved your matter, you can also complain about our processing of your personal information to the relevant data protection authority. You can complain in the EU member state where you live or work, or in the place where the alleged breach of data protection law has taken place.

The Company is registered with the Information Commissioner's Office (ICO), UK data protection authority. Their contact details are: Information Commissioner's Office Wycliffe House Water Lane Wilmslow Cheshire, SK9 5AF; 0303 123 1113; casework@ico.org.uk
